Dear 2016 RCC Annual Scholarship Golf Outing Sponsors,

The Rockford Chamber of Commerce 22nd Annual Scholarship Golf Outing is being held on Monday, July 24, 2017 and we are asking for your help to make the tournament a success.

The proceeds from this event are used to help area students continue their education at the collegiate and trades level. The 2016 event was a huge success allowing the Rockford Chamber of Commerce to award 3 scholarships. The 2016/2017 scholarship recipients were:

- Audrey Best – She will be attending the Frederik Meijer Honor’s College at Grand Valley State University – Majoring in Computer science or Engineering.
- Jacob Kelley – He will be attending Hope College – Majoring in Research Science and Physics
- Kaitlyn Jones – She will attend Paul Mitchell School training for Cosmetology. After graduating she plans to begin her own non-profit to pamper long-term patients, helping them “feel” beautiful.

Last year we were grateful to receive your contribution of either sponsorship or raffle items, your donation was beneficial in assuring the success of the outing. This year we are once again asking for your support.

I have included a copy of the flyer which was distributed to all of the golfers at last year’s event. We hope that this sort of advertisement can generate additional business for your company. This year we will be handing out a similar flyer.

For your convenience, the golf registration with sponsorship opportunities are enclosed. We would be honored to have you join us for our 22nd Annual Scholarship Golf Outing.

In advance, I would like to thank you for your time and efforts.

Rockford Chamber of Commerce,

Linda Southwick
