

The Rockford Chamber of Commerce is proud to celebrate its 60th year at building business and community in Rockford. We are taking that history and moving forward with plenty of new opportunities for our membership.

The Chamber staff, along with help from its many committees, is working hard to make membership a benefit. Below are some of the benefits you can enjoy with a Chamber Membership.

A nationwide survey of 2,000 adults nationwide, commissioned by the American Chamber of Commerce Executives with support of Small Business Network, Inc., showed that: **When consumers know that a small business is a member of the chamber of commerce, they are 44% more likely to think favorably of it, and they are 63% more likely to purchase goods or services from the company in the future.**
